Zuckerman Law

It is a privilege to represent courageous whistleblowers who speak truth to power and take significant risks to combat corporate fraud and fraud on the government. In the past two decades, whistleblower law has evolved considerably and I have enjoyed the opportunity to help shape the law and employ creative solutions to enable my clients to achieve optimal outcomes in whistleblower rewards and retaliation cases. It is especially satisfying when I can obtain a recovery for my client while also vindicating the public interest.

Representing whistleblowers in Dodd-Frank Act SEC whistleblower cases, False Claims Act qui tam actions, and whistleblower retaliation litigation.
